Return Policy

Thanks for purchasing our services at www.react-labs.com operated by React Laboratories.

We have a 7-day return policy, allowing you to request a return or cancellation within 7 days of accepting the quotation and initiating payment to React Laboratories.

To be eligible for a return, please email your return or cancellation request to info@react-labs.com. Our team will then contact you to initiate the off-boarding process. Additionally, you will need to provide the receipt or proof of payment.

If a return or refund request is initiated for the service, React Laboratories reserves the right to deduct 50% of the total amount as cancellation charges.

In the event that a return or refund request is raised after this period, no refund will be processed.

If the above conditions are met and your refund is approved, you will be automatically refunded to your original payment method within 10 business days. Please note that it may take some time for your bank or credit card company to process and post the refund. If more than 15 business days have passed since we approved your return, please contact us at info@react-labs.com.

If anything is unclear or you have more questions feel free to contact us at info@react-labs.com.
